Principal's Chat

I apologise for being away this week but it has been an interesting week for my family. Both of my daughters were due to give birth on May 16. However, both had complications with their pregnancies and had to be induced. The first, a boy, was born on the 6th in London and the second, a girl, was born in Perth on the 8th. All are doing well.

Due to the above situation I have been looking after my other grandchildren, Finn, aged 3, and Olive, aged 4. This gave me the opportunity to participate in parent help at my granddaughter's Kindergarten. I would recommend this for all grandparents.

It was a wonderful experience sharing my granddaughter's day and getting to meet the children she talks about. It also allowed her friends to meet other members of her family. It gave me the opportunity to see how the kindy day went and how to set up a play base classroom with many different stations that relate to the theme or concept of the week.

Please invite your child's grandparents to take part in parent help at Wandering Primary. They will be welcomed.

STARS OF THE WEEK

Congratulations Archer, Jay, Zander and Thomas!

P&C MEETING

We would like to invite all parents and members to attend the P&C meeting that will be held on **Monday 21 May at 9.00am In the staffroom.**

As a small school we value input from parents when making decisions regarding our great school and students. Please come along and show your support.

HAPPY BIRTHDAY!

Junior Room News

Spike Visits the Junior Room

We are studying pets for science. Mrs Young brought her son's bird to school for a visit. Spike flew around in the classroom, and hopped on our shoulders and heads. He eats birdseed and drinks water. He says "Hello Spike" and "Good boy Spike."

It was fun having Spike come to visit!

Kindy Maths

We are learning about position words. We went under, over, through and inside the equipment.

Senior Class

In maths we learnt about measurement and the days of the year. – Melanie

We learnt the times tables. – Thomas

We did a mental maths test. – Keeley

We did mental maths with Mrs Schorer. - Macey

We learnt how to do multiplication and division. – Jay

We had a mental maths test with Mrs Schorer and I got thirteen out of twenty. It was fun and we also learnt sudoku. - Jacob

The Library Lowdown

May is Scholastic National Family Reading month! We know that reading role models and shared reading time are critical to a child's learning and literacy development. In fact, research shows us that family reading time is one of the BEST ways to encourage a child's interest in the wonderful world of books. Kids who read, succeed!

Read More in May Challenge 2018

Children can enter the READ MORE IN MAY CHALLENGE by reading for at least 10 minutes every day in May. Reading logs were sent home last week to track their progress. Log onto the Scholastic Australia website www.scholastic.com.au/nfrm for further information along with competition terms and conditions.
