Principal's Chat

A survey was sent out to every staff member, family and senior student. The survey had the same three questions:

1. What do we see at Wandering PS?
2. Why are we seeing what we are seeing?
3. What should we be doing about this?

A survey gives the community a voice. This is your opportunity to let us know about any changes you would like to see.

In 2017 I asked parents, staff, and students to complete this survey. This survey gave the staff and I some great feedback about areas that we could work on.

I have attached the results of the 2017 survey to the newsletter to show you how we have improved. The information from the 2018 survey will be published during Term 3.

If you have missed the deadline date to return your survey do not worry as I will be opening the envelopes when I return from the UK in Week 2 Term 3.

Senior Assembly

Parents, Grandparents and Community members are invited to the Senior Class Assembly on Friday, 29 June. The Assembly will commence at 10am. We invite you to join the staff and students for morning tea afterwards. Could each family please bring a plate of food to share?

Narrogin SHS Visit

On Friday, 15 June Ms Walker (Principal of Narrogin Senior High School), some Year 7 students, and a representative of the residential college came to talk to our Year 5/6 students. They discussed life at Narrogin Senior High School. It was an inspiring talk with the students and gave our Year 5/6 students some good advice. For example, keep your timetable and a map of the school handy for the first three weeks.

Narrogin Senior High School will be having an open day on Saturday, 8 September and the orientation over a two-day period (7-9 December). If you are considering Narrogin Senior High School for your child, please return the enrolment forms to the school in Week 1 Term 3.

Heritage Nature Walk

The K- Year 6 Wandering students will be planting trees for the Wandering Heritage Nature Walk Trail on Tuesday, 26 June. The planting will take place near the Wandering Caravan Park from 10:30am. The students and staff will be leaving school grounds at 10am to walk down to the planting area. After the planting, students will be enjoying a sausage sizzle at no cost to them.

On Saturday, 30 June parents, students and community members are welcome to plant more trees for our community walk trail.

Thanks Deb

Mrs. Schorer has been coaching the students over several weeks in the fine art of golf. At the end of our tutoring time I asked the students two questions. "Is golf frustrating?" and "Did you enjoy it?" both questions got a resounding YES!! from all students.

I would like to thank Deb Schorer for helping the students at Wandering Primary and modelling good community spirit.

If anyone has a skill they would like to share with the students we are looking at starting a Parent-as-teacher program for Term 4. This would involve a parent or grandparent sharing their skill, passion, craft or hobby with the students. I will be with the volunteer supporting them and the students.

Junior Room News

The Junior students worked with Mrs Bailey on their addition stories and their numbers knowledge. Mrs Bailey and Mrs Muller make Mathematics learning fun.

Winter Carnival Practice

The Senior class travelled to Wickepin on Thursday, 14 June to participate in Winter Carnival practice. We were joined by Yearling and Wickepin Primary students.

Sport is a fantastic way for the students to meet other students, have fun, and learn a skill.

The Library Lowdown

Our 'Reading Tree' competition was very close this semester but congratulations once again go to the Senior Room students in claiming victory. They will be duly rewarded for their efforts!

THE ReadingTree

Mark it on your calendar! Our Scholastic Book Fair will be held Term 3 on Monday 20th and Tuesday 21st August. Get your thinking caps on for costume ideas for our annual

Book Week dress up day to be held that week too!
